

## **Shamrock Princess Q and A Clare**

### **What is the most memorable vacation you've taken?**

My Mom's side of the family "the Malones" made a pilgrimage out to Scituate, MA this past summer. What we didn't know is that the town is nicknamed the "Irish Riviera". It was such a cool surprise and we enjoyed a week of seafood, beach days and meeting fellow Irishmen in MA.

### **What's the craziest thing you've ever done in your life?**

I've been lucky enough to do the "craziest thing in my life" three times. That would be road tripping from St. Paul to Manchester, TN for the 4 day music festival-Bonnaroo. It's incredible and I highly recommend the adventure.

### **If you could be in the movie of your choice, what movie would you choose and what character would you play?**

Baby in Dirty Dancing!! I love that Baby goes out on a limb for a friend to help fill her job requirements, but also puts herself out there to try something new! And who wouldn't want to dance with Patrick Swayze

### **What's a favorite family memory that has stuck with you?**

Holidays are HUGE in my family, but Christmas Eve is always the most important. We start at Assumption where our cousin Father Malone does Mass. And end up at one of my Aunts houses singing, dancing and exchanging gifts. So much love in the air.

### **What hobby would you get into if time and money weren't an issue?**

I've always said my dream job would look something similar to Anthony Bourdain, Guy Fieri or Rachel Ray. I would love to travel the world getting to know new cultures, eating the finest foods and drinking the finest spirits.

### **What would your warning label say if every person was required to have one?**

"WARNING: Ear protection may be required" (I can be loud. . . I don't always mean to be!!)
