

Shamrock Princess Q and A Jacquelyn

What is the most memorable vacation you've taken?

I spent a week canoeing through the Apostle Islands with my church group. It was physically challenging and hard work, but it was also one of my most rewarding experiences. I was absolutely humbled by the quiet beauty of that place.

What's the craziest thing you've ever done in your life?

I did a ropes course. I know it doesn't sound that crazy, but I am terrified of heights. It was one of the scariest things I ever did!

If you could be in the movie of your choice, what movie would you choose and what character would you play?

I would be the Black Knight from Monty Python's Holy Grail. He had so much confidence, and was so determined to complete his mission in the face of tremendous adversity.

What's a favorite family memory that has stuck with you?

Growing up, my whole family would gather at my grandparents home many times a week to eat together. It wasn't until I was much older that I realized that not all families do that and what a gift it was to have such a tight knit family.

What hobby would you get into if time and money weren't an issue?

I would love to learn Metal Sculpting. I have always enjoyed pursuing the arts but have never had an opportunity to work with large pieces of metal. I find the possibilities for beauty endless!

What would your warning label say if every person was required to have one?

Caution! Irish temper, provoke at your own risk!
