

Shamrock Princess Q and A Madison

What is the most memorable vacation you've taken?

I once got stranded in the middle of the Irish countryside. Ask me about it!

What's the craziest thing you've ever done in your life?

My middle name is Grace, which has condemned me to a life of tripping over everything within reach. Naturally, I decided to pick up a sport that involves being aggressively shoved around while I have wheels strapped to my feet.

If you could be in the movie of your choice, what movie would you choose and what character would you play?

Jurassic World—I would love to play Claire Dearing, the park's operations manager, because I've always wanted to run from dinosaurs through a jungle in a white suit and high heels.

What's a favorite family memory that has stuck with you?

When I was younger, my mother used to deck my siblings and I in color-coordinated, shamrock-festooned pajamas for Saint Patrick's Day.

What hobby would you get into if time and money weren't an issue?

Writing and designing books. My latest project (which elaborates on my trip to the Emerald Isle!) is available for purchase here: <http://www.blurb.com/b/7873361-all-roads-lead-to-roam>

What would your warning label say if every person was required to have one?

Caution: Enjoys telling bad jokes—it's getting out of pun-trol.
